2018 Fraternalist of the Year Award

Assured Life Association

P u r p o s e

The Fraternalist of the Year Award is an honor presented by Assured Life Association to recognize an individual within the society who, through example and accomplishment, provided outstanding volunteer service to his or her chapter, society and community during the past year. Although past activities such as serving as a chapter officer for many years or contributing to a particular event year in-year out are important, information listed on the nomination form should focus on activities for the past calendar year. Once a selection is made the Fraternal Department will obtain additional background information to include in the biography of the recipient.
