## GIVE TO CHARITY AND LET ASSURED LIFE ASSOCIATION MATCH YOUR DONATION

### The Growth Ring Matching Gifts Program

An Individual Benefit Member  
Matching Charitable Donations Program

Benefit members of Assured Life Association are eligible to apply for up to \$250 per year in matching charitable gifts to non-profit charities or organizations. Individual donations will be matched with a check issued by Assured Life Association and mailed directly to the charity or organization along with the personal check from the benefit member. If a member has made a donation online, the Society will accept a copy of the receipt of the online donation attached to the matching gift request form in place of a personal check made out to the charity; as long as it occurs in the same calendar year.

Donations can be made in a single amount of \$250 or in separate, multiple donations made throughout the year totaling \$250; as long as each donation is at least \$50.

Donations and Matching Gifts can be made to entities recognized by the IRS as existing for religious, charitable, scientific, literary or educational purposes, or for the prevention of cruelty to children and animals. However, matching gifts to a church must be designated for a specific mission of the church rather than a contribution to its general fund or general offering. The individual must specify the organization and address to whom the matching gift is being made by completing a matching gift request form and attaching a personal check made payable to the specified charity or receipt of an online donation to the specified charity.

Matching Gift request forms can be found on our website at [www.assuredlife.org](http://www.assuredlife.org). Select Charitable Matching Gift Program under Benefits. Or you may call our office to request a form be mailed to you
