2020 Pandemic Impacts Chapter Activities

tivities were limited to just a few. Easy to add up the number of meetings and hours as a result. The annual Chapter reporting is due March 31, 2021. We also want to know if your

chapter contributed in any way to Assured Life's COVID-19 Food Fund Drive. The pandemic has taken its toll on local food banks' ability to provide food for needy families.

Operation Santa's Elves—Sharing Christmas Joy with those Less Fortunate

2020 marks the 12th year anniversary for Assured Life Association's Operation Santa's Elves. Assured Life Association encourages

its chapters and members to help bring the joy of Christmas and Santa Claus to the lives of needy children by getting involved in Operation Santa's Elves.

Since its inception in 2009, Assured Life's Operation Santa's Elves has impacted 1,295 kids with gifts valued at over \$18,000 and cash donations of over \$13,000!

It's easy to participate! Have your own toy drive or seek out a local organization or program that assists in providing Christmas gifts to kids that would not otherwise receive anything for Christmas. Whether it is Toys for Tots, Adopt-A-Family programs or the Salvation Army, get involved.

Thank you for your support.
