Last Call for Strikes Against Hunger

This is our last reminder for the Strikes Against Hunger National Bowling Tournament benefiting Feeding America. Currently, we have 1 team registered for the tournament.

The tournament features 4-person teams of all males, all females or mixed; however, all teams will be placed into one tournament pool unless the number of registrations allows separate tournaments.

A team registration fee in the amount \$60 (\$15 per bowler) must be mailed to the home office along with the team registration form. A team registration form can be found on page 2 of this newsletter. Each bowler on a team must establish a 3-game average before entering the tournament if they do not already have an average established. The winning team will receive at least \$260; additional team and/or individual prizes may be awarded depending upon the number of teams registered.

All profits from the tournament will be donated to Feeding America to help those struggling with hunger in the United States. Profits are defined as the total of all registrations fees. No other expenses will be deducted from the registrations collected.

Registrations must be received before your team bowls. Bowling may be completed any time before December 1, 2018. Scores must be submitted to the home office on or before December 15, 2018.

Operation Santa's Elves

As the national member food drive winds down, it is time to prepare for Operation Santa's Elves; the last of our national member volunteer campaigns for the calendar year.

This is the 10th year anniversary for Assured Life Association's Operation Santa's Elves. When the Fraternal Committee coined the program Operation Santa's Elves, they did so with the knowledge that there are already so many programs and projects that help provide needy children with Christmas gifts during the holidays. Assured Life Association decided not to re-invent the wheel, but instead encourages its chapters and members to help bring the joy of Christmas and Santa Claus to the lives of needy children by seeking out and participating in one of the many projects and programs already available.

It's easy to participate! Just seek out a local organization or program that assists in providing Christmas gifts to kids that would not otherwise receive anything for Christmas. Whether it is Toys for Tots, Adopt-A-Family programs or the Salvation Army, get involved.

Thank you for your support.

Chapter Annual Reporting Due March 31, 2019

It's never too early to start thinking about Chapter Annual Reporting. Chapter Secretaries and Bankers/Treasurers should start gathering the information and data required for the 3 chapter reports due March 31, 2019.

The reports did not change this year, so the same information is required as last year. You can find the reports on our website at <http://assuredlife.org/Chapter-Leaders/Chapter-Annual-Reporting>.

And remember what constitutes volunteer events and hours to be counted in your annual reporting (**see the July 2018 fraternal link newsletter for details**). The 2 major factors are as follows:

- 1. The event or service must be sanctioned or sponsored by your chapter.**
- 2. Two or more members must be involved in the event.**

If it is not clear, contact Jerry for clarification.
